My hobby means a great deal to me as I have been flying Radio Control Aircraft for 36 years.

I also am an active participant in Vintage R/C meets throughout the country.

I am just one of hundreds of thousands of modelers in the United States. This represents a lot of American jobs and income. I would surely hate to see my Radio Control Hobby fall by the wayside.

I would really appreciate any help you might be able to give modelers in regard to part 88 of the F.C.C. Rules

Sincerely

Thomas Ailes
